Sir:

In the Office Action dated 04/05/2006, the examiner noted the following:

(1) Claims 1 & 17 are objected because of lack of clear distinction between preamble & body of the claim.

(2) Claims 1-20 are rejected under 35 USC 102(b) as being anticipated by Duong et al (US 5,600,264).

In response, the Applicant has modified Claims 1 & 17. The applicant has further provided arguments to show that the rejected claims are not anticipated by Duong. A list of all claims is provided. Withdrawal of the objections and rejections is respectfully requested.

Please amend the claims as listed below.
